

**REMARKS/ARGUMENTS**

Reconsideration and allowance of the present application based on the following remarks are respectfully requested. Claims 1-3 and 5 have been amended. Claim 5 has been cancelled. No new matter has been added. Upon entry of the above amendments, claims 1-3 and 5-6, as amended, will be pending.

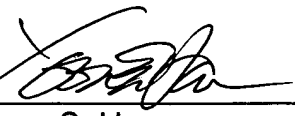

The Examiner has rejected claims 1-3 and 5-6 under 35 U.S.C. § 112, first paragraph for lack of enablement. The amendments to the claims are believed to address this rejection. Specifically, the claims have been amended to indicate that the compositions comprise an aqueous extract of the various plants. These extracts were indicated as enabled by the Examiner in the Office Action dated 4/13/2006. Accordingly, Applicants respectfully request reconsideration and withdrawal of this rejection.

Therefore, all objections and rejections having been addressed, it is respectfully submitted that the present application is in a condition for allowance and a Notice to that effect is earnestly solicited.

Should any issues remain unresolved, the Examiner is encouraged to contact the undersigned attorney for Applicants at the telephone number indicated below in order to expeditiously resolve any remaining issues.

Respectfully submitted,

MAYER BROWN ROWE & MAW LLP
